**You Enable Us to Continue Our Mission**

**Brothers**

“The most important work which has been entrusted to us has not yet been completed. It still calls for many sacrifices and much labor. I am aware of all that still needs to be done in keeping with the needs of the times.” – **Blessed Basil Moreau**

These words of Fr. Moreau remind us that all of us, through our sacrifices and generosity we are participating in the completion of the Holy Cross mission as Fr. Moreau envisioned it. All of you who are listed as donors in this report are assisting the Brothers in completing their God-given mission. Through the many sacrifices and gifts you have made to the Brothers you are truly making God’s kingdom become a reality.

At various times in our life we may wonder if our lives are making a

difference. Let me assure you that your generosity to us is making a difference because it makes you an important partner in our Holy Cross mission. To bring this home it is important to understand our mission does make a difference wherever Holy Cross finds itself throughout the world. You are extending your area of influence because you have chosen to contribute to our efforts to

You and all the donors listed in this letter enable us to continue our mission. I pray that you grow in the realization that your life takes on more meaning because of your relationship with us. Our faith calls us to believe that things will get better when we join with others to create a better world. Together we can be confident we are making a difference.

Thank you for your support and belief in us.

At various times in our life we may wonder if our lives are making a difference. Let me assure you that your generosity to us is making a difference because it makes you an important partner in our Holy Cross mission.

# Behind Every Donor... There is a Story

There is a story behind every person on our donor list in this issue. Each has his or her own reason for giving—gratitude, faith, to make a difference in the lives of others, recognition, friendship, hope and many others. No matter what motivates you, our expression is one of deep gratitude.

Let me also give a note of thanks to Jerry Kearns for his dedication to the Brothers of Holy Cross. We wish Jerry well as he moves on to a new ministry.

Before becoming the Director of Development for the Midwest Province I ministered as social worker in our schools and boys' homes and at Catholic Charities in South Bend. For a brief time I taught at St. Joseph High School in South Bend, Indiana. I presently also serve on the Midwest Province Provincial Council.

During the past three years working as Assistant Development Director for the Midwest Province I have been fortunate to meet a number of you. The

stories I have heard have been enriching and humbling as I realize more and more how generous a group we have, as Brother Robert Fillmore says in his remarks about "co-workers completing the mission God has given Holy Cross." One of the questions that we all might ask ourselves at each stage of our life is: "What is the Lord asking of me today? How can I live out or be a part of the mission now?"

**Brother Roy Smith, C.S.C.**  
Director of Development

Constitution 2 of the Congregation of Holy Cross reminds us that "All of us... are joined in one communal response to the Lord's mission." In whatever way you are a part of the mission -- engaged in the front line in day to day ministry, volunteering, donating, aiding us through prayers-- you are important to the mission, to us.

This donor list includes all who gave between July 1, 2007 and June 30, 2008. During the past fiscal year more than 1200 individuals made donations totaling \$895,051. We appreciate your presence and generosity and your being a part of living the mission of Jesus.
